

CBERA 8/1/5 Vol (124)

29<sup>th</sup> March, 2022

**PRESS RELEASE**

**BPC ELECTRICITY TARRIFF REVIEW FOR THE FINANCIAL YEAR 2022/23**

The Botswana Energy Regulatory Authority wishes to inform the public that after careful consideration and having taken all economic factors into account, has decided not to award Botswana Power Corporation a tariff adjustment for the financial year 2022/23.

This therefore means that there will be no tariff increase in this coming financial year beginning 1<sup>st</sup> April, 2022. The Regulator will continue to support Botswana Power Corporation to ensure security of electricity supply.
