PRESS RELEASE

Fuel Prices Adjustments

Botswana Energy Regulatory Authority informs the general public that the retail pump prices for petrol and diesel will be adjusted as follows:

- a) retail pump price of unleaded petrol 93 be increased by 193 thebe per litre;
 - b) retail pump price of unleaded petrol 95 be increased by 204 thebe per litre;
 - c) retail pump price of diesel 50 ppm be increased by 128 thebe per litre; and
 - d) retail pump price of illuminating paraffin be increased by 367 thebe per litre.
- Aviation Gasoline prices be increased as follows:
 - a) 763 thebe per litre for Gaborone;
 - b) 664 thebe per litre for Maun;
 - c) 688 thebe per litre for Kasane; and
 - d) 734 thebe per litre for Francistown
 - Jet fuel prices be increased as follows:
 - a) 743 thebe per litre for Gaborone;
 - b) 754 thebe per litre for Maun;
 - c) 754 thebe per litre for Kasane; and
 - d) 748 thebe per litre for Francistown.

The above changes take effect from **00:01hrs Tuesday 28th June 2022**.

The pump price adjustments are done to align with international crude oil prices. Since February 2022, the main driver of international oil prices has been the Russia – Ukraine war that threatens global crude oil supplies. The rise in international oil prices have put pressure on local pump prices and aviation fuel prices.
